

Highfield Community Primary School School Sport Premium Funding Statement 2023/2024

Total amount carried over from 2022/23	£339.13
Total amount allocated for 2023/24	£16,920
How much (if any) do you intend to carry over from this total fund into 2024/25?	£0
Total amount allocated for 2023/24 (including carry forward from 22/23)	£17,259.13
Total amount of funding for 2023/24 to be reported on by 31st July 2024	£17,259.13

Academic Year 2023/24	
Key Indicators	<p>There are 5 key indicators that schools should expect to see improvement across:</p> <ol style="list-style-type: none"> 1. Increased confidence, knowledge and skills of <u>all</u> staff in teaching PE and sport 2. The engagement of <u>all</u> pupils in regular physical activity 3. The profile of PE and sport is raised across the school as a tool for whole-school improvement 4. Broader experience of a range of sports and activities offered to all pupils 5. Increased participation in competitive sport

Provision	Funding allocated	Key indicators, Evidence and Impact	Sustainability
Subscription to Gateshead School Sports Partnership	£3,325	<p>Our subscription with the Gateshead School Sports Partnership (SSP) provides our children with vast opportunities to experience a range of sporting experiences, having a positive impact on our school. This service allows our children to participate in a wide range of inter-school competitions, cluster events and festivals, across Gateshead (Key Indicator 4). This year, we have attended 26 sporting events with every child in school having the opportunity to attend at least one of these. We have raised the profile of sport by promoting each event that we have attended on our Facebook page and Sports wall (Key indicator 3). In addition, staff members have each attended a number of events and festivals which has helped to build their skills and knowledge, after observing coaches deliver these sessions. This knowledge supports the delivery of PE within our school (Key</p>	<p>The children will continue to increase their skills and abilities in a range of different sports and activities which will challenge them and prepare them for later in life.</p> <p>The subject leader will use the skills and knowledge gained from the range of CPD opportunities and continue to build on this knowledge in future years.</p>

		<p>Indicator 1) The Gateshead SSP have also offered a range of CPD opportunities or our staff to attend, these sessions have included:</p> <ul style="list-style-type: none"> - Support and network meetings which have kept our PE Subject Leader up to date with new legislation (including OFSTED framework) and initiatives. Relevant information was then passed onto other staff members during training sessions (Key Indicator 1) - P.E School Sports Conference which provided training from professionals around active learning, assessment in P.E. and high-quality P.E lessons. - Training and resources are provided by the SSP to develop a School Sports Crew, a group of children who represent the pupils, give them a voice and lead on initiatives linked to PE and sport within school. <p>(Key Indicator 2 and 4)</p>	
Gateshead Schools: Health and Wellbeing Service	£950 (Including subscription to extra package)	<p>We have made use of this service for many years now as we feel it offers an extra dimension to our PE and school sport. This service is co-ordinated through the Gateshead School Sport Partnership who understand the important role which schools can play in supporting the health and wellbeing of their pupils and staff. This service has provided our staff with extensive knowledge around health and wellbeing policies and has allowed us to have access to national Public Health campaign resources and updates, to support health and wellbeing delivery (Key Indicator 1). Engagement in the Gateshead Schools Health and Wellbeing programme, demonstrates the commitment our school is making to supporting every child and provides valuable evidence under the new OFSTED framework.</p> <p>The extra package that we buy into has an emphasis on staff health and well-being so that we are giving our staff the advice and training to promote their own well-being. (Key indicator 1 and 3)</p>	Staff have continued to build on their prior knowledge and the information shared will help staff to support the health and wellbeing of pupils in future years.
Specialist Coaching – supporting school staff to deliver high quality PE in school	£4,495.75	<p>This year, we have accessed a range of curricular and extra-curricular activities, including: football, netball, rugby and athletics. Some of these have been organised by staff in school and have therefore not come with a cost. To allow us to offer a wider range of sports, we have invited in some external coaches (Key Indicator 4). As well as encouraging children to get involved with different sports, it has also helped children to prepare for competitive events. We have engaged in many more competitive events as the children have acquired the skills needed. (Key Indicator 5)</p>	The children will continue to increase their skills and abilities in a range of different sports and activities which will challenge them and prepare them for later in life.

Purchase of new PE Scheme of work	£975	<p>The new scheme of work will provide a clear roadmap (Key Indicator 2) for the delivery of PE across the academic year ensuring consistent and progressive learning for the pupils in school. Teachers will have access to high quality resources , innovative teaching strategies, activities and assessment tools to enhance their professional practice (Key Indicator 1). The new scheme is aligned with the latest national curriculum standards and ensures the school are Ofsted ready. (Key Indicator 3)</p> <p>Gateshead SSP use the creators of the scheme to deliver CPD for all school staff so confidence will be increased when delivering lessons in school. (Key Indicator 1)</p>	<p>Improved Health and Well-being: By promoting physical activity and healthy habits, a new scheme will contribute to the overall well-being of students.</p> <p>Enhanced Academic Performance: Research suggests that regular physical activity will have a positive impact on cognitive function and academic performance.</p> <p>Positive School Ethos: A high-quality PE program can contribute to a positive school environment, promoting teamwork, sportsmanship, and social skills.</p> <p>Increased staff confidence: new scheme of work provides online CPD and video clips to support the delivery of PE</p>
Resources for new long-term curriculum plan	£1,200.79	<p>A main priority for 24/25 is to deliver a new long-term plan for curriculum PE (Key indicator 1 and 3). This has been developed using the newly purchased scheme of work – Complete PE.</p> <p>An audit was carried out and new equipment was purchased to ensure high quality teaching in lessons. (Key indicator 4)</p>	<p>The long-term plan will ensure high quality teaching and progression across school. Ensuring that staff have access to the resources needed to deliver this will ensure children receive the best opportunities.</p>
Travel to sporting venues	£1350	<p>To increase the broader experience of a range of sports and activities offered to all pupils (Key Indicator 4) we ensure all pupils attend at least one festival or competition across the academic year. In order to do this, we had to hire transport in order for the children to access a sporting venue. The cost of travel is usually £0 as we use minibuses but on occasions it is necessary to hire a coach.</p> <p>Attending the event meant that pupils developed their skills, knowledge and understanding of a range of sports.</p> <p>Pupils were able to apply the skills they have learned within PE lessons and extra-curricular activities.</p>	<p>The children will continue to increase their skills and abilities in a range of different sports and activities which will challenge them and prepare them for later in life.</p> <p>Visiting sporting venues gives children an insight into sporting opportunities outside of school, encouraging healthy lifestyles.</p>

Total amount spent: £12,296.54

Carry forward into 2024/2025 - £4,962.59

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section as best you can. For example, you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year, please report on their attainment on leaving primary school at the end of the summer term 2023.</p> <p>Please see note above</p>	84%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	84%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	84%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	No
